

Prayer for the Land

Week One

Our Covenant Relationship

Today we come boldly before the throne of grace, proclaiming our covenant relationships with the Holy Trinity consisting of God the Father, the Lord Jesus Christ, His Son, and the Holy Spirit who indwells us. Because of the death of Christ on the cross, His blood canceled the covenant of death that was against us and forever blotted out our sins. We now have a covenant of life through the body and blood of Jesus of Nazareth. This covenant is supreme. No other covenant can supercede it.

Legal Basis

We come to (name the specific building/ land) in order to deal with covenants to false gods that have been formed here. We are citizens of (nation, state, county, city?) and therefore have part ownership of this structure/ land. We are also citizens of the Kingdom of Heaven, and we are commissioned to empower the Father's will to be done in this place as it is done in heaven. Finally, we are members of the royal priesthood after the Order of Melchizedek. This means we not only have a right to cleanse the land/ building, but we also have a mandate from God. It is the priesthood's responsibility to cleanse the land.

Confession

So we now step into our covenant relationship with the Triune God and into our legal authority and we ask God, the Righteous Judge of the Universe, to open the books in heaven to every act of sin, rebellion, or iniquity committed on the property, or in this building, and to the record of all ungodly covenants.

Father, where our forefathers practiced idolatry, violence, immorality or any other iniquity, we ask You to forgive that iniquity. Where our forefathers committed acts of lawlessness against the first peoples here in order to acquire land, we ask You to forgive that iniquity. Where our people committed iniquity on the land before these buildings were built, we ask You to forgive that iniquity. Where this land and these buildings were overtly or covertly dedicated to the false gods of Freemasonry or any other false god or spiritual entity, we ask You to forgive that iniquity. Where the occupants of these grounds and buildings have committed iniquity or further dedications or brought defiled objects onto the grounds, we ask You to forgive that iniquity.

We further claim our right to have the Holy Spirit intercede on our behalf before the Throne, so we ask Him now to present every other plea to the Judge that is appropriate for this time and place.

Claim Cleansing

Now Father, Scripture that cannot lie, says that Jesus Christ canceled the written code that was against us nailing it to the cross. In so doing, He disarmed the evil powers and authorities. Further it says we overcome the enemy through the Blood of the Lamb and the word of our testimony. **(Rev. 12:11)**

We now receive the forgiveness You have offered and claim the cleansing that You have promised. We ask, Lord God, that You would consume with Your fire every covenant that men have made with the Evil One for protection from righteous judgement. We ask You to consume all ungodly dominion on this land and in these buildings.

We speak now to the demonic that has been invited into this area by other people. We call You to attention in the name of Jesus of Nazareth. Your legal right to be here has been canceled. Your invitation to come in has been rescinded. Your power has been nullified. In the strong name of Jesus, we command all of you to be gone off the land and out of the buildings. You are to leave this region, to go to the footstool of Jesus and to never return here.

Now Father, release Your godly dominion to fill every place the enemy is vacating.

Healing Prayers

Lord Jesus, You are the Great Physician. You have promised to not only cleanse our land but to heal our land. We ask for that healing here in Your Name and through Your power.

May the fear of the Lord rest upon this place and all the people who enter here. May this be a life-giving place. Father, we ask You to remove those who cannot give or receive life and replace them with those who can. We bless this land, these buildings and the people in them with the peace of God, with the ability to receive the love of God, and with the life-changing hope that comes from knowing and pursuing God's plans for this place. (Add other blessings as the Lord leads).

New Covenant

As citizens and priests, we take these lands, these buildings and these institutions and present them to the Host High God. We enter into covenant with You today, declaring them to be spoils of war. No longer do they belong to Your enemy. You have conquered the Devil and all his minions. This all belongs to Jesus Christ, the King of kings and the Lord of lords. We throw open the gates and joyously invite the King of glory to come in and take possession! **(Ps. 24)**
